## NOTES:

**PRT Preparation.** CMC and Staff will be conducting PT sessions during drill to prepare Cadets for the upcoming PRT, which will be held in April. The PRT Manual, including all physical fitness requirements, can be found on the Adirondack Battalion website at [www.adkbn.org](http://www.adkbn.org). Navigate to the “More” tab, click on “For Cadets, Parents and Staff” link, then click “PRT Manual.” Cadets must pass the PRT to be able to advance in rank. All Cadets are encouraged to adopt a regular physical fitness routine outside of Drill Days.

**General Knowledge Training.** The Training Department will be organizing training focusing on general military knowledge. This month will focus on the Eleven General Orders of a Sentry. The Eleven General Orders are common to all branches of the U.S. Armed Forces. It is best to learn these as soon as possible: Cadets will be expected to know these by heart, in any order, to advance in rank. The Eleven General Orders are listed below.

1. To take charge of this post and all government property in view.
2. To walk my post in a military manner, keeping always on the alert, and observing everything that takes place within sight or hearing.
3. To report all violations of orders I am instructed to enforce.
4. To repeat all calls from posts more distant from the guard house than my own.
5. To quit my post only when properly relieved.
6. To receive, obey, and pass on to the sentry who relieves me all orders from the commanding officer, field officer of the day, officer of the day, and officers and petty officers of the watch.
7. To talk to no one except in line of duty.
8. To give the alarm in case of fire or disorder.
9. To call the petty officer of the watch in any case not covered by instructions.
10. To salute all officers and all colors and standards not cased.
11. To be especially watchful at night, and during the time for challenging, to challenge all persons on or near my post, and to allow no one to pass without proper authority.

**Dress Blues Inspection.** Cadets are strongly encouraged to ensure their dress blue uniforms are inspection-ready before Drill Day. Covers are expected to be clean. Jumpers, trousers, neckerchiefs and white undershirts are expected to be free of wrinkles. Shoes are expected to be polished. Black socks only. ID Cards should be available and placed in left breast pocket for inspection. Males are expected to be clean-shaven with neat haircuts. Females are expected to have hair, nails, and jewelry within uniform regulations (trained on in January). Uniform regulations within the Uniform Manual can be found on the Adirondack Battalion website at [www.adkbn.org](http://www.adkbn.org). Navigate to the “More” tab, click on “For Cadets, Parents and Staff” link, then click “Uniform Manual.” We look forward to seeing a battalion of sharp cadets this month!
